

# Pull Me Up

Citizen Way

Pull me up, up, up  
Pull me up, up, up  
Pull me up, up, up

Lord, oh Lord I lift my eyes  
Help me give You my whole life cuz  
The enemy wants to bury me in my burdens  
But it's alright it's alright when  
I cast my cares all my cares on you  
Because You care for me

You pull me up, pull me up, pull me up  
To my feet again  
Pull me up, pull me up, pull me up  
Jesus, You're my only hope  
And I will bless you, oh my soul, because you  
Pull me up, pull me up, yeah You pull me up  
To my feet again

You say no matter what may come  
I can face my fears because  
You are love  
And the darkness has to run away  
It's alright it's alright when  
I cast my cares, all my cares on You  
And what have I to fear

You pull me up, pull me up, pull me up  
To my feet again  
Pull me up, pull me up, yeah You pull me up  
I'm on solid ground  
Jesus, You're my only hope  
And I will bless you, oh my soul, because you  
Pull me up, pull me up, pull me up  
To my feet again

I will sing, I will sing, I will sing  
I will sing a new song  
For all that You've done  
I will sing, I will sing, I will sing  
A new hallelu, hallelujah

I will sing, I will sing, I will sing  
I will sing a new song  
For all that You've done  
I will sing, I will sing, I will sing  
A new hallelu, hallelujah  
What have I to fear

You pull me up, pull me up, pull me up  
To my feet again  
Pull me up, pull me up, pull me up  
I'm on solid ground  
Jesus, You're my only hope  
And I will bless you, oh my soul, because you  
  
Pull me up, pull me up, yeah You pull me up

Oh Yeah You pull me up  
You pull me up, pull me up, pull me up  
To my feet again  
You pull me up, pull me up, pull me up

Jesus, You're my only hope
