

## Sing, Sing, Sing

Citizen Way

Sing, sing, sing  
If you feel alone  
Sing, sing, sing  
If you're far from home?  
If you've lost your way  
If you just can't say  
Sing  
Sing, sing, sing  
If you've lost any years  
Sing, sing, sing  
If you've shed any tears  
Make a brand new start  
Mend a broken heart  
Sing  
Let it all out  
Let it all out  
Let it all out  
Let it in  
If you're out of breath  
Hanging by a thread  
Your wings feel like lead  
If it's life or death  
If you've given up  
Your heart's turned to rust  
If it's dust to dust  
When it's really love
