

# SPRING

## Citizen Way

Sweet new life drifting through the breeze  
Spring is here in the air, let it in  
Hurts and fears of winter fade  
In the light of the beauty restored  
It's a new day, it's a new day  
It's a new day, mmmmm

Fly away  
Fly away, fly away  
Fly away  
Fly away, fly away  
Holy, Holy  
Holy, Holy  
It's Your word alone  
It's Your word alone

Fly away  
Fly away, fly away  
Fly away  
Fly away, fly away  
Glory, Glory  
Glory, Glory  
We're goin' home  
We're goin' home

Thundering storms bring blessed rain  
'Til the colors of spring are painted  
Daffodils sing jubilee  
Oh my heart to the skies beckoning  
It's a new day  
Oh, it's a new day

Fly away  
Oh, fly away, fly away  
Fly away  
Fly away, fly away  
Holy, Holy  
Holy, Holy  
It's Your word alone  
It's Your word alone

Fly away  
Oh, fly away, fly away  
Fly away  
I'll fly away, fly away  
Glory, Glory  
Glory, Glory  
We're goin' home  
We're goin' home

Oooh  
On Your word alone

Fly away  
Fly away  
Holy, Holy  
It's Your word alone

Fly away  
Oh, fly away, fly away  
Fly away  
Oh, fly away, fly away  
Glory, Glory  
Glory, Glory  
We're goin' home  
We're goin' home

Mmmmm, eh  
On Your word, On Your word  
On Your word

On Your word, On Your word  
On Your word

On Your word, On Your word  
On Your word alone  
Alone

On Your word alone  
On Your word  
On Your word  
On Your word

Your word alone  
On Your word  
On Your word  
On Your word

Your word alone  
On Your word  
On Your word  
On Your word  
On Your word alone  
Alone

Your Word alone

On Your Word alone

Ah
