

I'm giving you my life today
In everything I do and say
Just like you gave me mercies new
I give it all to you

I give you all my fears today
And every anxious thought I pray
That you'd exchange it with your peace
And then walk today with me

Because I read in your best selling book
That You said You'd show up
If we would simply ask
To be a lamp unto our feet
And a light unto our path

And this is also on my mind
To make my will and yours align
Because I know how I can be
When all I'm living for is me

Because I read in your best selling book
That You said You'd show up
If we would simply ask
To be a lamp unto our feet
And a light unto our path

The more I read the more I understand
That you've a purpose and a plan
You started up good works in me the Great I Am

Because I read in your best selling book
That You said You'd show up
If we would simply ask
To be a lamp unto our feet
And a light unto our path
A light unto our path
