

## Words

### Citizen Way

You oh You  
Have been so good to me  
And I don't have words  
There is more  
Than I know to say  
I don't have words

Hallelujah  
Hallelujah  
Hallelujah I will sing

If You take  
Everything You gave  
And I don't have words to cope  
Or the reasons why  
Give me Your Words

Hallelujah  
Hallelujah  
Hallelujah I will sing  
Hallelujah  
Hallelujah  
Hallelujah I will sing  
I will sing

Hallelujah  
Hallelujah  
Hallelujah I will sing  
Hallelujah  
Hallelujah  
Hallelujah I will sing  
I will sing

I don't have words
