

Cicuta

Citizen

Wait, you got this look on your face,
Like this is some kind of mistake.
I can't keep waiting for change.
With something has been misplaced.
You know I want you to pay.
You never wanted to stay,
I wasn't willing to wait.
I lost my faith.
I lost my faith.

We fell asleep, asleep.
I lost my faith.
I lost my faith.
When we fell asleep, asleep.

When you go from holding on to the road,
Searching for something to hold.
Yeah, I just wanted to know.
Suffocate your boasts,
Suffocate your soul.
I left you to grow old.
I left you out in the cold.

I'm wide awake.
I'm home.
I'm home.
I'm fine alone, alone.
I'm home.
You're home.
I'm fine alone, alone.

I can see it in your smile.
I can see it in your eyes.
I can see it in your eyes.
I can see it in your eyes.
I can see it in your eyes.
