

## Yellow Love

Citizen

Be mine. Shake up my love.  
Yellow night has had enough.  
It's been out way too long.  
I see nothing but yellow love.

Love, my love.  
Love, my love.  
Love, my love.  
Love, my love.

Be mine. Pull me in two.  
I will mold myself just for you.  
The night is vivid for once,  
Still I see nothing but yellow love.

Love, my love.  
Love, my love.  
Love, my love.  
Love, my love.

All I feel is celestial desire.  
A distant joy is dancing all around me.  
All I see is yellow in the spring air.  
How beautifully the color worked itself in.  
All I feel is celestial desire.  
A distant joy is dancing all around me.  
All I see is yellow in the spring air.  
How beautifully the color worked itself in.
