

## 22 Steps

Citizens

You were there when my daddy died  
I didn't want to believe but I tried  
Tough prayers in the dead of night  
I said I wanted to live but I lied  
Fourteen standing at his grave  
I didn't know what it meant to be saved  
Fell apart when I heard you say  
"I love you son, let me take all your pain"

Inside, outside  
Waking up just to never die  
Took a minute to realize  
You'd given me a better life

22 steps, out of debt  
22 steps (I'll never forget)  
22 steps, straight ahead  
22 steps (You're catching my breath)

22 steps from the grave to [?]  
I got in and we drove to his mom's  
Late tears running down my arms  
Ready to live and believe he was God

Inside, outside  
Waking up just to never die  
Took a minute to realize  
You'd given me a better life

22 steps, out of debt  
22 steps (I'll never forget)  
22 steps, straight ahead  
22 steps (You're catching my breath)

(Whispered words)

22 steps, out of debt  
22 steps (I'll never forget)  
22 steps, straight ahead  
22 steps (You're catching my breath)

22 steps  
I'll never forget
