

Altogether Good

Citizens

How could we recount the ways
That You have multiplied our faith?
The wisdom of Your ways
The currents of Your grace, expressed
In every moment, every wave

In the longing of our souls
In the darkness where we go
You are there, You are love
You are altogether good
In the weakness of our faith
In the silence where we wait
You are here, You're enough
You are altogether good

Through our joys and in our griefs
You have led us to believe
The wisdom of Your ways
The currents of Your grace, express
Our only hope for all our days

In the longing of our souls
In the darkness where we go
You are there, You are love
You are altogether good
In the weakness of our faith
In the silence where we wait
You are here, You're enough
You are altogether good
You are altogether good (Oh, You are good, oh-oh)

I love You, Lord, I love You, Lord
You are my more, wholly present and pure
(I love You, Lord)
I love You, Lord, I love You, Lord
(You are altogether good)
You are my more (Oh, oh-oh) wholly present and pure

In the longing of our souls
In the darkness where we go
You are there, You are love
You are altogether good
In the weakness of our faith (Oh-oh)
In the silence where we wait
You are here, You're enough
You are altogether good

I love You, Lord (You are altogether good)
I love You, Lord (You are altogether good)
You are my more (You are altogether good)
Wholly present and pure (You are altogether good)
