Crown Him

Citizens

The humble King has come to earth
From throne on high to lowly birth
His glory reigns
The spotless lamb has washed away
Our fatal sin with saving grace
His glory reigns
The Man of Sorrows crucified
For love He bleeds, and love He dies
His glory reigns

Christ the King is Lord, crown Him
Seated on His throne, hail Him

The resurrected King of Kings
Enthroned on high in majesty
His glory reigns
Behold! The gracious Lord of Light
Has opened ears and poured out sight
His glory reigns

Christ the King is Lord, crown Him
Seated on His throne, hail Him
See the lamb adorned, praise Him
Glory in His love, praise Him
