Forgive Us

Citizens

Forgive us of all of our sin
And give us the grace to forgive
When we have been sinned against
Restore us, renew us again
Give us the meekness to heal
Give us the mercy to mend
Forgive us all our sin
As we ourselves forgive

Forgive us of all of our sin
And give us the grace to forgive
When we have been sinned against
Restore us, renew us again
Give us the meekness to heal
Give us the mercy to mend
Forgive us all our sin
As we ourselves forgive
Amen
