

Greater Than

Citizens

Your power
Your presence
Your patience
Is greater than
My worries
My questions
My failures
It's always been
Your goodness
Your glory
Your grandness
That's greater than
My future
My longings
My answers

You're greater than all I've ever wanted
You're greater than all I've ever wanted
You're greater than all I've ever wanted
You're greater than all I've ever wanted

Your power
Your presence
Your patience
Is greater than
My worries
My questions
My failures
It's always been
Your goodness
Your glory
Your grandness
That's greater than
My future
My longings
My answers

You're greater than all I've ever wanted
You're greater than all I've ever wanted
You're greater than all I've ever wanted
You're greater than all I've ever wanted

Rejoice in Him
Rejoice in Him
Think of all that He's been holding
Tell Him thank you and rejoice
Rejoice
Rejoice
Rejoice in Him
Rejoice in Him
Think of all that He's been holding
Tell Him thank you and rejoice
Rejoice
Rejoice

Rejoice in Him
