

Here I Am

Citizens

The more I run, the more I hide
I never seem to win that fight
No I don't want a heart of stone
Too scared to love what I don't know
O Jesus come and stir my soul
Let love and mercy overflow
Fear corrupts and makes me blind
I need a light that isn't mine

Here I am, here I am
Here I am, here I am
All I am, all I am
Here I am, here I am

I have tasted, I have seen
And felt the distance in between
Close to You is still too far
I want to be right where You are

Here I am, here I am
Here I am, here I am
All I am, all I am
Here I am, here I am

I'm on my way
I'm on my way
I'm wide awake
This is a holy place

I'm on my way
I'm on my way
I'm wide awake
This is a holy place

I'm on my way
I'm on my way
I'm wide awake
This is a holy place
I'm on my way
I'm on my way
I'm wide awake
This is a holy place

I'm on my way
I'm on my way
I'm wide awake
This is a holy place

O Jesus come and stir my soul
Let love and mercy overflow
Close to You is still too far
I want to be right where You are

Here I am, here I am
Here I am, here I am
All I am, all I am
Here I am, here I am
