

Hide No More

Citizens

I keep coming up short
Living life like a ghost
Just a shadow of myself
But I want to let go

I've been digging down deep
Trying to find who I am
And I'm so tired of trying
To be somebody else

I don't want to hide no more
I don't want to hide no more

There's a power in me
It's beyond my control
And it's setting me free
It's unlocking my soul

I don't want to hide no more
There's a power in me
I don't want to hide no more
And it's setting me free
I don't want to hide no more
There's a power in me
I don't want to hide no more

I could spend my life pretending
That I'm better off alone
But I'm never really living
If I'm never fully known, yeah
And it might take forever
Before I'm finally whole

I don't want to hide no more
There's a power in me
I don't want to hide no more
And it's setting me free
I don't want to hide no more
There's a power in me
I don't want to hide no more
And it's setting me free
I don't want to hide no more
And it's setting me free
I don't want to hide no more
And it's setting me free
I don't want to hide no more
I don't want to hide no more
