

Holy Love

Citizens

Love is patient, love is kind
Love is celebrating joy in every life
Love protects, love relieves
Love is persevering in each other's needs

On and on, on and on
We are living in Your love
On and on, on and on
Love is written in our blood
Holy love
Holy love

Love admits I was wrong
Love is waiting with the weight of what we've done
Love forgives when it's time
Giving strength to say the words we cannot find

On and on, on and on
We are living in Your love
On and on, on and on
Love is written in our blood
Holy love
Holy love

Oh, oh, oh
Oh, oh, oh

Love receives, love responds
Love believes that we are more than what we've done
Love commits to the light
Love is running from the darkness into life

Holy love (oh, oh, oh)
Holy love (oh, oh, oh)
Holy love (oh, oh, oh)
Holy love (oh, oh, oh)

On and on, on and on
We are living in Your love
On and on, on and on
Love is written in our blood
On and on, on and on
We are living in Your love
On and on, on and on
Love is written in our blood
