

Imagination

Citizens

So many thoughts in my head
Like will we ever get tired of laughing
And will we still go to bed?
Or just stay up with you all-life dancing, you know

You're my destination
You're my sweetest dream
You're my imagination
Yeah, You're the child in me

You're my destination
You're my sweetest dream
You're my imagination
Yeah, You're the child in me

Head high in the clouds
I don't wanna wait, let's go right now
Oh, heaven come down
Ready when you are my heart is bound
Head high in the clouds
I don't wanna wait let's go right now
You're my imagination

So many times that I've said
"There's just so much that I can't make sense of"
So can we jump to the end?
Where every second's a revelation

You're my destination
You're my sweetest dream
You're my imagination
Yeah, You're the child in me

Head high in the clouds
I don't wanna wait, let's go right now
Oh, heaven come down
Ready when you are my heart is bound
Head high in the clouds
I don't wanna wait let's go right now
You're my imagination

Head high in the clouds
I don't wanna wait, let's go right now
Oh, heaven come down
Ready when you are my heart is bound
Head high in the clouds
I don't wanna wait let's go right now
You're my imagination
You're my imagination
