

Rap Shit

City Girls

Haha, like we just, really just, in this shit
It really wasn't nothing to us, haha
Get your ass money!

Aye catch me ninety five south, doing the buck in the wraith
Super soft leather seats, with the luxury suede
Hottest bitches in the streets, Yung Miami, JT
They cut the check in the A, but we busting in day
Girl don't be mad cause you fucking a lame
And that broke ass nigga got you stuck in a cage
Never got shit to do, but always something to say
Dead ass, looking bitch, nobody's hunting you baby
I ain't fuck your baby daddy, I was fucking his face
You was fucking his friend, old slutty lil' thang
Before I climbed in the rover, girl the truck was a Benz
First bitch from Opa-Locka with a couple of M's
Shit, sis can't come for me
It's cute, see the only bitch I see that's signed to Young Money
Shit, sipping ace of spades, keep your hunch punch bitch
Y'all hoes ran through, pussy done with, uh!

I don't really fuck with this rap shit
I was beating the block, like a savage
Now all I do is shop and get my ass lit
I'm up now, I don't give a fuck about my past bitch
I don't really fuck with this rap shit
I was beating the block, like a savage
Now all I do is shop and get my ass lit
I'm up now, I don't give a fuck about my past bitch

Let me show y'all hoes how it's done
Just to set the record straight, ain't let you bitches know I ain't the one
I watch mamma trick niggas to keep the lights on
By sixteen I had a talk game, and two phones
I caught a case these bitches thought I was gone
Since a lil' bitch, I been better at proving them wrong
Fuck the feds and the law, they can't stop me
I'm still making bloody moves, I feel like Cardi B
A slick mouth bitch, with a attitude, real rude
And I been gang gang, running shit since middle school
My own daddy said I wouldn't be shit
I looked at him, like we gon' see bitch
I'm up now, I don't give a fuck about my past bitch
I don't really fuck with this rap shit
I was beating the block like a savage

I don't really fuck with this rap shit
