## City Morgue

Thraxx  
Down, set

Godzilla stompin' out your home and shit  
I'm in your crib, take the lighter out your cabinet  
Spread the gas in the kitchen then ignite the shit  
I just wanna watch the world burn over and over and over  
Hey kid, hey kid, hey kid, face it  
Hey kid, hey kid, aim it, bang it  
Kill kids, hang kids  
City Morgue kill shit  
Kill kids, hang kids  
City Morgue kill shit

Pedal 100, I'm speedin', you frontin'  
I'm shootin', you duckin', now give me the safe  
Drinkin' on 40s, I'm trashy, you classy  
You'll still get your ass beat and I'll beat the case  
Suckin' me, suckin' me, all of you sucking me  
I'll kill your ass for the fun of it yeah  
Fuckin' me, fuckin' me, your bitch is fuckin' me  
I'll fuck her ass for the fun of it  
Body bag, you straight rat, diggin' in your mama's trash  
Send me facts, see me grab a precision rifle with the strap  
Got that hammer like Sniper Gang, 2000 meters, shoot your head  
Mississippi muddy, drippy, jugg, 'bout to grab the gat

Godzilla stompin' in your home and shit  
I'm in your crib, take the lighter out your cabinet  
Spread the gas in the kitchen then ignite the shit  
I just wanna watch the world burn over and over and over  
Hey kid, hey kid, hey kid, face it  
Hey kid, hey kid, aim it, bang it  
Kill kids, hang kids

Shoot a nigga out, blow your brains on your shirt  
Dig a hole up, put your gang in the dirt  
Pussy ass niggas, tuck chain in your shirt  
I'm a drive off in a Wraith in reverse  
I need Patek and Philippe  
I eat the steak at Philippe's  
See what I make in a week?  
Pistol whip, breakin' your teeth  
Send the money for the ransom  
See the money, make me handsome  
Take your slut, then I vanish  
She gon' fuck me in a mansion  
Big SIG, break ribs  
Ricochet, break wrists  
City Morgue kill kids  
Throw 'em off the big bridge

Godzilla stompin' in your home and shit  
I'm in your crib, take the lighter out your cabinet

Spread the gas in the kitchen then ignite the shit  
I just wanna watch the world burn over and over and over  
Hey kid, hey kid, hey kid, face it  
Hey kid, hey kid, aim it, bang it  
Kill kids, hang kids
