I believe that you niggas is my seed, that's a real fact
Leave before trigger hit delete, that's a real fact
Mouse in a mousetrap, bear in a bear trap
Run in, you can't hear that, snap in the welcome mat
Spray with the Ajax, Z make the K clap
Morgue do not play that, had to catch a stray rat
Y'all niggas bluffin', ain't bangin'
All you niggas playin', bitch I'm dangerous, I threw skulls and I changed up

Skull heads on my wrist
Scarred hands on my glick
30 mag max fit
Infrared beam, bitch
Bitch, I'm cold, done, dead
Hit the fire to yo head
Hit the fire to yo chest
Got on bulletproof vest
Bitch, you know how we rock
Nigga, shots up top
Nigga, shots at yo' thot
Grave set, Gravehop
Cuffin' big band knots
We ain't cuffin' no thots
Hit a stain on your block
Hit a stain on an opp

We don't duck, ayy, you little fuckface
Kill you first take, you little fuckface
Gravehop, gravehop
Gravehop, gravehop

Bodies droppin' after June, stake like a half a broom
Catch you in the afternoon, 50, that's a half a moon
Since the fuckin' classroom, gun in the bathroom
Bitch suckin' on my nut, like a fuckin' cashew
Sleezy in the party, Lamborghini and the 'Rari
No bikini on the Barbie, throw a beanie in Bacardi
Bitch, you ain't tryin' that, fucked your mom's dyin' ass
Automatic shotgun, had that shit slidin' back
Pussy we ain't hidin' that, clip just be firin' back
Take your favorite rapper chain, make the nigga buy it back
Salute me, just pay homage or shoot me
Get your body wrapped, bottle and Gucci
Fuck around 'til you embrace this Sosy
Mula!

We don't duck, ayy, you little fuckface
Kill you first take, you little fuckface
