

Ascension Theft... (Gnawing of the Bottom-Feeders)

City of Caterpillar

Feed your face until it bleeds
For the rest of us it's fight or flight
Spiraling through the thievery
Pockets full of puddled blood
For the rest of us it'll be just fine
Spiraling through the thievery

Feed your face until it bleeds
'Cause there's plenty where that came from
The rest of us spend all our time
Scraping at the bottom of the barrel
Feel your face until it believes
'Cause there's plenty where that came from
The rest of us spend all our time
Gnawing through the bottom
Gnawing through the bottom of the barrel
Gnawing, gnawing, and fucking gnawing

We grow
Aohh
We grow

Grow
Aohh
We grow

Grow
Aohh
We grow

Grow
Aohh
We grow
