

# Gin And Tonic

Civet

Drink like a fish, sink or swim  
I'm sinking all the way down  
I drown myself in the bottle again  
'Cause your promises let me down

Gin and tonic, hit the floor  
I'll be comin' back for more  
'Cause baby, that's the way I like it  
And I know I have to be strong  
To hold on to what we once had  
But now it's gone

[Chorus:]  
Life is slippin' and I can't hold on  
Lost control of myself  
I'll be leavin' and I won't look back, I'd  
Rather be alone than waste my life with you

Each morning I struggle to face the new day  
I can barely look you in the eye  
Each night I welcome that comfortable haze  
On the bar when you're making me cry

Gin and tonic, hit the floor  
I'll be comin' back for more  
'Cause baby, that's the way I like it  
And I know I have to be strong  
To hold on to what we once had  
But now it's gone

[Chorus]

With you, with you  
Waste my life with you  
Whoa whoa-oh, whoa whoa-oh

I was tryin' to find a way to hide  
The doubts I had inside 'cause  
I thought we had a chance to make it  
But now I'm stronger and I  
Love you no longer and  
Tough shit if you can't take it!

And I know I have to be strong  
To hold on to what we once had  
But now it's gone

I was slippin' and I couldn't hold on  
Lost control of myself  
Now I'm gone and I'll never look back  
So much better off and  
So much happier  
I'm so glad I didn't waste my life with you
