Hell Hath No Fury

Civet

It's an old song, but the lyrics stay true
Despite all my men, I keep coming back to you
I gear up to take it, take it, take it one more time
Cause it wouldn't be love if it wasn't a lie, oh my...

Hell hath no fury like me
Hell hath no fury like me
Hell hath no fury like me
Once my love, now my enemy

It's a cheap ring, but it means everything to me
despite all my faults, I still believe you'll marry me
I know you just want to waste, waste all my time
You wouldn't be bleeding if it wasn't your crime (or mine)

Hell hath no fury like me
Hell hath no fury like me
Hell hath no fury like me
Once my love, now my enemy

You're no good for me
You're no good for me

Hell hath no fury like a woman scorned
sure as the day I was bled, like the day I was born
go ahead and walk away
you shouldn't have started that game
if you didn't want to play baby...

It's an old song, but the lyrics stay true
Despite all my men, I keep coming back to you
I gear up to take it, take it, take it one more time
Cause it wouldn't be love if it wasn't a lie, oh my...

Hell hath no fury like me
Hell hath no fury like me
Hell hath no fury like me
Once my love, now my enemy
Hell hath no fury like me
Hell hath no fury like me
Hell hath no fury like me
Once my love, now my enemy
