

## Holy Dove

Civil Twilight

Would the moon rise, the sky will fall  
Would the moon rise, the sky will fall  
And I'm not going down with the rest of you  
You don't have to believe whatever I'm saying  
You don't have to break to whoever I'm praying  
If that don't change, what's gonna happen?  
And I'm not going down with the rest of you!

Would you be my holy dove?  
Would you be my holy dove?  
'Cause I'm not going down with the rest of you

I may be crazy and I know you're fine  
Yeah I may be crazy, yes I know you're fine  
But I've got something that will blow your mind  
And I'm not going down with the rest of you!

Would you be my holy dove?  
Would you be my holy dove?  
'Cause I'm not going down with the rest of you

In a flash I will be gone  
In a flash I'll prove them wrong  
In a flash I'll float away to another age

Would you be my holy dove?  
Would you be my holy dove?  
'Cause I'm not going down with the rest of you

Would you be my holy dove?  
Would you be my holy dove?  
'Cause I'm not going down with the rest of you  
I'm not going down with the rest of you!  
I'm not going down with the rest of you!
