WIN

CIX

When we're together we're stronger
Let's go all up high let's go discover
Cause we know we are going to make it
Just believe we can do this really

We're not alone or even owned
So now we must seize this moment
Never hide or never lose
Every time we're right on target

So let's just keep going
Cause we're gonna keep on winning
Sharing dreams you and me
All the hopes that we've been waiting

If you reach out I'll be there for you
There's nothing I would not do for you
When troubles are coming
We'll fight them all together not alone

All we do is just WIN
LA LA LA LA LA LA LA LA
Cause we know that we'll WIN
LA LA LA LA LA LA LA LA
We lift us up high we help each other to win it
All we do is just WIN
LA LA LA LA LA LA LA LA

We never stop stop keep it moving
We never lost lost just KO'ing
From the moment that we started
Can't ever break apart
We're just getting stronger all day

So true we're gaining
This crew radiating
Our troops ready for it
So better know better know that we'll win

If you reach out I'll be there for you
There's nothing I would not do for you
When troubles are coming
We'll fight them all together not alone

All we do is just WIN
LA LA LA LA LA LA LA LA
Cause we know that we'll WIN
LA LA LA LA LA LA LA LA
We lift us up high we help each other to win it
All we do is just WIN
LA LA LA LA LA LA LA LA

Any help whatever that you want
Whatever that you asked
There's nothing we would not do for you

Maybe when times are just so rough

And you feeling downwards
We'll still be there for you

All we do is just WIN (All we do is just WIN)
LA LA LA LA LA LA LA LA
Cause we know that we'll WIN (Cause we know that we'll WIN)
LA LA LA LA LA LA LA LA
We lift us up high we help each other to win it
All we do is just WIN
LA LA LA LA LA LA LA LA

All we do is just WIN
LA LA LA LA LA LA LA LA LA
Cause we know that we'll WIN
LA LA LA LA LA LA LA LA LA
LA LA LA LA LA LA LA LA LA
All we do is just WIN
LA LA LA LA LA LA LA LA LA
