Know diamonds form from pressure  
But don't be so hard on yourself  
Know diamonds form from pressure  
But don't be so hard on yourself

Don't you worry 'bout a thing, just keep shinin'  
Show them how bright you are even if it blinds 'em  
If you like to dance depending on the lighting  
Some people see you and they get so excited  
Make this one for all the miners  
In a dark place, where you might just find us  
Made it out and we're the few survivors  
One of them once [?] their desires  
What I learned it made me wiser  
'Cause we been tough  
Lose a lot as soon as we get cut  
You know where we came from, it was rough  
Hard differentiating what is love  
Don't feel no way if someone try to pick you up  
Resilient even when they give you funny looks  
Got a [?] like some cuffs  
Steal from you 'cause that's the shit that money does  
Don't let your dreams get crushed

You keep on shining, you keep on shining  
You keep on shining, 'cause you are a diamond  
You keep on shining, you keep on shining  
You keep on shining, 'cause you are a diamond  
You keep on shining, you keep on shining  
You keep on shining, 'cause you are a diamond
