Dooooooooope
Know I love to smoke
Every time I take one token
Swear that I begin to float
Dooooooooope
Know I love to smoke
Every time I take one token
Swear that I begin to float

Love my marijuana, everybody want it
Hands are always orange, I be so rewarding
Fuck your brand new Jordan's and the number on 'em
How much THC is in the weed you smokin'?
Kids smoke K2 and it got 'em goin' loco
I go crazy if I gotta buy weed local
My bitch white, I'm black, we like Ice-T and Coco
Only difference she knows surgery's a no-no
Noo-ohhhh!
I think I'm important, need my weed imported
Buy from so-and-so, now it can't be reported
Ain't rap-snitching, what you think that we retarded?
Certain details, I know it can be recorded
Hit my dealer up to see what's on the market
Might hit others just to see who got the bargain
Won't hear from me again if my weed get shortened
Love the body high when it leave me lethargic

Dooooooooope
Know I love to smoke
Every time I take one token
Swear that I begin to float
Dooooooooope
Know I love to smoke
Every time I take one token
Swear that I begin to float
