

# Get It Done

CJ FLY

You niggas got me fucked up  
You niggas got it fucked up  
You niggas got it fucked up  
Fly!

Eyes all red it don't matter though  
Kitty catapult put a cat on pole  
Had defense but never guard the ho  
Ain't it green still eatin' at your artichoke  
Drivin' the whips that you outta know  
Lately I've been feeling like I'm on a roll  
And the whitties that be with me they ain't on ya bowl  
Plus the pot that I got it ain't on ya stove  
And it ain't in ya kitchen  
Mind state of a kingpin and I'm making a killin'  
Though I'm makin' a livin'  
Turn keys to my city so it's thanks that I'm givin'  
Younger guys say I'm driven  
I could pass in the class ain't the tassels decision  
Bunch of niggas with me like a civil rights sit in  
I'm great with advice but just bad with decisions

Get it done, Get it done  
Get it done, Get it done  
Gotta make myself my own plate  
There ain't a task I had that I ain't never complete  
And I'm doin' pretty good so who am I to complain  
That's why I'm sayin'  
Get it done, Get it done  
Get it done, Get it done  
Gotta make myself my own plate  
There ain't a task I had that I ain't never complete  
And I'm doin' pretty good so who am I to complain  
That's why I'm sayin'

Get it done, Get it done, Get it done, Get it done  
Get it done, Get it done, Get it done, G-g-g-g  
Get it done, Get it done, Get it done, Get it done  
Get it done, Get it done, Get it done, G-g-g-g  
Get it done, Get it done, Get it done, Get it done  
Get it done, Get it done, Get it done, G-g-g-g  
Get it done, Get it done, Get it done, Get it done  
Get it done, Get it done, Get it done, G-g-g-g

G-g-g-g, G-g-g-g  
G-g-g-g, G-g-g-g (Fly!)  
G-g-g-g

Get it done, Get it done, Get it done, Get it done  
My hood holdin' me to get it done  
Get it done, Get it done, Get it done, Get it done  
My hood holdin' me to get it done

I had to get me some  
Ballin' out like ESPN  
Timb's tan like they was in the sun  
With my woes we'll never run, no

You could tell I'm gone  
Remember when I had a telus phone  
Text message say my minutes done  
Tell em all they can't tell us nothin' no mo'  
Now my plan's unlimited, tryna get my grands unlimited  
I gotta peel off of livin' this  
So ya'll know what my limit is  
All I need is some dividends  
Woah!  
So my mind like a militant  
I know the plug fuck the middle man  
Got 'Bare Tings' and they know I ain't a middle man  
They know I get it done and I get it in  
Woah!

Get it done, Get it done, Get it done, Get it done  
Get it done, Get it done, Get it done, Get it done  
Get it done, Get it done, Get it done, Get it done  
Get it done, Get it done, Get it done, Get it done  
Get it done, Get it done, Get it done, Get it done  
Get it done, Get it done, Get it done, Get it done  
Get it done, Get it done, Get it done, Get it done
