

In Love

CJ FLY

I can't lie
I can't lie, I think I'm in love with you
I'm in love with you
Can't deny
Can't deny the things that I felt for real
I'm in love with you (Fly)

If I'm keepin' it a buck and gotta tell the truth
Girl, you got me doing things I said I'd never do
All my past experiences, they were terrible
Started vibing, but at time they left me feelin' blue
Never felt this way 'bout no one how I feel 'bout you
Couldn't kick it how I kick it, they can't fill my shoes
Girl who knows just what she wants, so most men scared of you
I see right into the future when I stare at you
[?] you could keep yourself my last name
Lettin' this moment go to waste would be a damn shame
Always brighten up my mood when it's a bad day
I won't ever block your shine just like a lamp shade
You do the damn play
You could be my first lady, get us a campaign
Celebrate all our wins with a little champagne
Or instead, I could roll up a little [?]
I ain't know you could sing, sing

I can't lie
I can't lie, I think I'm in love with you
I'm in love with you
Can't deny
Can't deny the things that I felt for real
I'm in love with you

Honestly, don't think I've ever felt this kind of love
You my angel sent from Heaven, must've fell from up above
I ain't trying to be kinky but you make me want to cuff
I make you a momma babe because you make me wanna curl
Articulates her thoughts with words, it wasn't just her looks
She be cheffin' in the kitchen and I love the way she cooks
Plenty fish out in the sea, but baby girl, you got me hooked
Making history together, girl, this one is for the books
Infatuated, got me fiendin' for your touch
Addicted to you, I could never get enough
You're super private, we could keep it on the hush
I find it funny that we both come from the bush
I scribe my words just like a painter with a brush
I take my time because I'm patient, I can't rush
I compliment you, say cute things to make you blush
Girl your presence is a present, so I thank you very much (Fly)

I can't lie
I can't lie, I think I'm in love with you
I'm in love with you
Can't deny
Can't deny the things that I felt for real
I'm in love with you
I can't lie
I can't lie, I think I'm in love with you

I'm in love with you
Can't deny
Can't deny the things that I felt for real
I'm in love with you
