She yellin', now she wanna fuck with a whoopty (Whoopty)
I'm feelin' groovie
Hittin' my phone, like, "Baby come do me" (Do me, do me)
We makin' a movie
She wanna pull up and give me the besos (Besos, besos)
I'm countin' the pesos
I gotta stick to the cheese, like queso (Ha, ha)
I think we makin' a mess, ho'
Wait, slide (Slide)
She said she feelin' a vibe (Vibe)
I told her, "Jump in the ride" (Ride, skrrt)
She say, "I'm one of a kind" (Kind, huh?)

She said she wanna get high
