

Pxcoyo killed this beat, bitch
Yeah, yeah
Walk in the spot like, ayy
Walk in the spot like, what?
Walk in the spot like, ayy
Walk in the spot like, what?
Haha, yeah, check me out
Walk in the spot like, ayy
Walk in the spot like, baby

You want to cry in Miami?
Huh, or you rather cry in Dubai?
Too fly, she said she lovin' my new style, ohh
Shit, you slide, I slide
They know [?] slide, yeah
You want to cry in Miami?
Huh, or you rather cry in Dubai?
Too fly, she said she lovin' my new style, ohh
Shit, you slide, I slide
They know [?] slide, yeah

Look
Wait a minute, she said she want me to play with it, lay with it
Walk in the spot and I came with it
You know I stay with it, you know I bang with it
Spicy, double tapping and she like me
And I heard that she a Pisces
I just might fuck up a check like Nikes (Like wait, like woah)
Pass me a TD, it might be a zoe
Me and my dawgs, we stay on the road
Spin through his block, they go fuck up his show
You want to make money? I'm like let's go
Dive in the pussy like, "Oh shit"
Your boyfriend broke got no drip
We pop out like four grips
None of my opps ain't own shit
