She said she wanna fuck with a real one  
If I see an opp, I'ma kill one  
Don't know how it feels 'til you fill one  
I will never change when a mil' come

You niggas pocket watching, need a deal or some

She said she wanna ride and she down for this shit  
Well baby, bust it open, open wide for this dick

Open wide  
Hit my phone and you know I'ma slide
