

## come close

CKay

Icy

Not many things excite me but you excite me  
In real life you look like you look on IG  
Your body causing go slow causing go slow  
If I give you my love, girl you go want more  
Than my love  
I sey the things we dey do we dey keep am undercover  
Oh girl it's me and you  
Me and you tonight  
Oh baby me and you  
Me and you tonight oh woah wooah woah

Sad romance

Girl let me rock your body from Naija to France oh  
Sey you get boyfriend e no be my concern  
Sey you get boyfriend e no be my concern

Come close make I hold something o  
Baby come close make I hold something o  
Me I dey like that thing o  
Come close make I hold something o

This love don dey feel like jazz  
I love you so tey e tear my eyes  
I think about you every time  
Na only your matter dey my mind  
Murder on my mind (Murder on my mind)  
A bitch can fucking try (I got murder on my mind)  
I'm so possessive, I can't help it  
Even if I try

Sad romance

Girl let me rock your body from Naija to France oh  
Sey you get boyfriend e no be my concern  
Sey you get boyfriend e no be my concern

Come close make I hold something o  
Baby come close make I hold something o  
Me I dey like that thing o  
Come close make I hold something o
