CKay

CKay, ye ye ye...

Yeah, can we make love no attachments
No drama, just an action
When we wake up in the morning we can pretend it never happened
See, feelings get messy now
It's the last thing that we need now
We don't need no complication
I want you, you want me now
Uh uh, give it to me
Nobody have to know that you give it to me
It could be our little secret
Make it be our little secret oh
Uh uh, give it to me
Nobody have to know that you give it to me
It could be our little secret
Make it be our little secret

So baby are you down to fuck
Baby are you down to fuck with me
So baby are you down to fuck
Baby are you down to fuck with me
So baby are you down to fuck
Down to fuck, down to fuck with me
So baby are you down to fuck
Down to fuck, down to fuck with me
Oh baby ehh
Oh baby
Oh baby

Oh baby

Baby are you down to fuck
Tell me if you down or not
I can understand the fun
You body doper than a bag of drug
I know you want me, I can see it in your eyes
And I am so ready, just give me your green light
Me sef I like you and you like me
So come here lemme give you some more
Me sef I like you and you like me
So come here lemme give you some more

So baby are you down to fuck
Baby are you down to fuck with me
So baby are you down to fuck
Baby are you down to fuck with me
So baby are you down to fuck
Down to fuck, down to fuck with me
So baby are you down to fuck
Down to fuck, down to fuck with me

Oh baby ehhn (You down, you down)
Oh baby (You down, you down)
Oh baby
Oh baby (Are you down, you down, you down)
Give it to me

It could be our little secret
