

Show My Side

CKay

Shawty shawty wa gbe, gbe, gbe...
Coolu my temper de, de, de...
I need your loving every day
I need your body in every way, uhn
Pull up at my loca-ca-ca-tion
Pull up at my loca-ca-ca-tion
Come make I chop your occupation, oh girl

Baby, show my side, baby, show my side
Baby, show my side, baby, show my side
Baby, show my side, baby, show my side
Or I fit show your side, baby, I don't mind

Shawty send a naked picture
I just wanna wake up with ya
I just wanna vibe and gist
You won't find no girl like this
I just wanna shake and move
After put it down on you
After that let's take a break
Pull up on you after late
(Woah-oh)
Got me walking with a limp
Out here moving like a simp
Do whatever for ya
Baby, I'ma keep it simple
You and me together is a mission
Ride or die
You and I
Flex for five
Bring it by one
After dinner I'll be putting you on my tongue
After dinner I'll be putting you under my

Baby, show my side, baby, show my side
Baby, show my side, baby, show my side
Baby, show my side, baby, show my side
Or I fit show your side, baby, I don't mind
