Oh yeah yeah yeah
Oh no
Oh...

I love you, sometimes I don't
You push my buttons like remote, yeah
Your love is pain
But inject it in my veins
You just might drive me insane, but I like it
I like it, hmm
Hmm, na me go find trouble
You're a bit too much to handle, baby
Ah, baby
You can blame it on star signs
You can blame it on red wine
You can blame it on the sunrise
You can blame it on anything

But you too get skoin skoin
Skoin skoin
You're so annoying-noying
But I love you, I love you
Me sef I get skoin skoin
Skoin skoin
Sometimes I'm annoying-noying
But you love me, baby, ah yeah yeah yeah

Aah, ai
Aah, ai
Aah, ai
Aah, ai

E eu sei que eu sou chata
Até perco a voz
E é sempre a minha culpa
On s'aime plus comme avant
Tive um pesadelo há uns tempos atrás
No teu olhar só via raiva, era tarde demais
Ah, então se eu ligar de noite
Por favor responde
Que aqui a lua não brilha mais

But you too get skoin skoin
Skoin skoin
You're so annoying-noying
But I love you, I love you
Me sef I get skoin skoin
Skoin skoin
Sometimes I'm annoying-noying
But you love me, baby, ah yeah yeah yeah

Aah ai
Aah ai
Aah ai
Aah ai

Skoin skoin

Skoin skoin
Skoin skoin
