

THE FINAL BOSS

CKay

If you're not stubborn
You'll never make it out of where I come from
Anambra state
I remember back in the days
When I was a likkle youth
I didn't know the truth
They told me life was easy
But there is zero use in

Suffering and smiling
No come dey whine me
I go show you my craze
If a nigga want to try me
Nothing wey concern me
Blessings all over me
As I walk inna the valley
Blood of Jesus cover me

Gbas
Gbos
For the action film, na me be the final boss
Who be the actors?
I don't know
At the end of the day, we'll see how the story goes

Me versus you
Versus them Versus who?
Me versus rules
Me on my cruise
Business is cruel
Open your eyes, don't be used
Please don't be stupid
Me versus everybody

Suffering and smiling
No come dey whine me
I go show you my craze
If a nigga want to try me
Nothing wey concern me
Blessings all over me
As I walk inna the valley
Blood of Jesus cover me

Gbas
Gbos
For the action film, na me be the final boss
Who be the actors?
I don't know
At the end of the day, we'll see how the story goes
