

# VANITY

CKay

How many real ones?  
Very few  
Do you love me?  
Is it true?  
Do you envy?  
When you see me shining  
Tell me, walahi talahi

But do you know me?  
Do you know my story?  
You know wetin I do to make this money?  
I fit fight my enemies  
Fight my friends, I fight my family  
But it's all love  
I do it for y'all  
I'm a warrior  
They can try but dem no fit ever ever hold me down

'Cause awọn temi hold me down  
If you no dey for me  
How you want make I dey for you? Dey for you  
E no easy  
But this life 50/50  
Carry your cross buru ya n'isi  
Everything na vanity, na vanity

Owu sa gi oh  
I ga-ama ife  
I ga-ama ife  
I ga-ama ife  
Owu sa gi oh  
I ga-ama ife  
I ga-ama ife  
I ga-ama ife

Oboy, I just want be billionaire  
Pack money full everywhere  
Make it even full for my jalabia  
Piggy bank make it fat like polar bear  
And all the family problem make dem disappear  
I de beg the suffering we dey bare  
All my polo been dey tear  
I couldn't afford a beer  
Kind of owu wey dey blow me then, I fear  
Then I realize say, my brother, sapa dey beh  
But the dreams got bigger  
Making more figures  
Even the cheques got fat and thicker  
I de knack face like a picker  
Now, we the coldest out here, my nigga Antarctica  
O critical  
The boy is so lyrical  
Dem de feel d gbèdu spiritually, iyèn physical  
Ọmọ to nautical  
From Naija d'America  
Busting speakers  
In every home, every car

Yebo

Owu sa gi oh  
I ga-ama ife  
I ga-ama ife  
I ga-ama ife  
Owu sa gi oh  
I ga-ama ife  
I ga-ama ife  
I ga-ama ife

No one can stop me  
In a million years  
They'll keep on trying  
But I'll be here

'Cause awọn temi hold me down  
If you no dey for me  
How you want make I dey for you? Dey for you  
E no easy  
But this life 50/50  
Carry your cross buru ya n'isi  
Everything na vanity, na vanity

Owu sa gi oh  
I ga-ama ife  
I ga-ama ife  
I ga-ama ife  
Owu sa gi oh  
I ga-ama ife  
I ga-ama ife  
I ga-ama ife
