

you

CKay

It's yours
Take it like it's yours
But we won't take pictures
Don't let nobody see us
'Cause tonight of all nights
I see your brakelight
You skrr into my life
Life

Let me put it down on you
If you don't understand let me break it down for you
Baby I'm in love with you
Baby I'm in love with you
Baby ooo
Fuck you like I miss you
Fuck you like I need you
Like I'll never see you again
I want to hear the sound
When I put it down on you
Ooo

Ooo
Ooo
You
Ooo
Ooo
You

I love you
I knew this from the first day I saw you
You tell me you love me and you hate me at the same time
See me see trouble
See I'm crazy, you know this
But you self you chose this
You dey give me close marking
Make I no loss, make I no miss

Let me put it down on you
If you don't understand let me break it down for you
Baby I'm in love with you
Baby I'm in love with you
Baby ooo
Fuck you like I miss you
Fuck you like I need you
Like I'll never see you again
I want to hear the sound
When I put it down on you
Ooo
