Yellow gold ain't it glow like a yellow phone
Couldn't see me with a selfie from my telephone
Got hella dough Hello Kitty getting hella old
Want me to love them long time
And I tell em NO
Sake to soju Nagasaki to Seoul you
Can find me in Shanghai
You know what them shots of Baijiu do
Got these Asian girls dancing on the couches
Yeah they know me
And they singing every word
Like they was at the karaoke huh

My hips are pang-pang-pang (very tight)
Boys ask Time time time
My lips are nyam-nyam-nyam (so tasty)
Where I go dang-dang-dang (I'm so proud)
When I get on stage cha-cha-cha (great)
Run run bang-bang-bang (as like flying)
Disco pang-pang-pang
