Bet you ain't never seen a baddest Asian like me  
I go by the name of, you already know  
If you find somebody like me around you  
You let 'em know  
That's cap

Post up in my big esteems  
Bigger dreams, whole lot of bigger things  
Saechulbal baro reoffense  
Ahopbeon sseureojoyeodo baro get up 10  
Simhoheup zen  
C-H-A-E-L-I-N, that's me we stay fly  
Ninen nal ttaraogil meori wie nalda dochakae jamsi swilge (Silence)  
Baddest female Asian, that is the status  
Heavy bass and basement throughout the attic  
2NE1 my past, my forever blessing  
Now 2020 was next I'll be just salivated  
Cherry's on my mind on a regular  
Insaengi gemiramyeon misyeonhuen rebereop  
Naemyeongwa dareunsal ttaki jaemi eop  
But it ain't always keep it 100

Honey, world is mine ain't no running from it  
Jeogi bae apeuniyu naega wonin  
Nine ppeonhi mok swil ttae pyeonhi heoming  
Hear you talking  
How about you just come and say it to my face?
