Rolls Royce truck, V12 stancing on the low
Young
Boy stacking on that guala oh cannot pause
Avoid
Questions with that problem like I said before
Convoy
Looking like an army no metaphor
Racetax
Yea I got them racetracks vroom vroom merc benz don't got lotta patience
Redflags
Oou raise the redflag who got the sauce boy im that spicy asian
Bentley
Bentayga fill up the arena
Buldal
Got me driving crazy call it sauce korea
Fly
Without the visa , feets like ballerina

Got
That ice up on me put that in a freezer
How
You gonna make me free
Shut up if you disagree

Making moves
Eating rice
Man I'm feeling super nice
Put the spice in my eyes
I don't ever sleep at night
When the groove hit me right
We gone eat some soup n rice
Super feast with the cheese
I won't ever roll the dice
Capsaicin put some more
Need more spicy need to go
Naeil achim janggi blow
Cannot see you anymore
We gone eat this fucking world
Geudeul bitdeulmanui glow
Jagijeon yageun maeungeoro
Going to sleep
A baeapa

Hey lil mama where you get all them sauce ooo
Stay or to go
Stay or to go

Hey lil mama where you get all them sauce ooo
Stay or to go
Stay or to go

Big smile for me, I want to see your gums boy
Who you copy pasting on my buns boy
Call me unnie that's for you that's my beam boy
Going all-in b you know it's a feast boy

Yeah we gon' let it snow, appetite on my toes
Fire bish I know you not really about to get mad at me though
I grab my dinner to go, your coconut deck on my oath
Watch me lick you up into a knot, I'm saucing until I've got to go
Fire bish fire bish fire bish
Yeah you pulling all the strings,
Saw you're a puppet, now you're better off
Couldn't tell the difference, that's three heads and the beamer off
Saucing in, that mukkbang mama
And I feel amazian
