Maybe, maybe, ever, ever
I hear you waiting, yo

C'mon, c'mon, tell me somethin' sweet
Already, already, don't say anything
Don't burn it, no, don't burn it
C'mon, c'mon, tell me something sweet

When the sun goes down, we find each other
When the moon rises, we find each other
When the sun rises, there's no: between us
There's no moonset between us
What shines brighter in the dark
I can't have them all
What a relationship between us
You and me, us in between

Oh-oh, ooh-ooh-oh
Oh-oh, ooh-ooh-oh
Oh-oh, ooh-ooh-oh
You and I, us in between, between (Between)

Again, again, 3 o'clock, 4 o'clock
Please keep this as a secret
Give me, give me, in depth, in depth
We win and the night loses again

C'mon, c'mon, tell me somethin' sweet
Already, already, don't say anything
Don't burn it, no, don't burn it
C'mon, c'mon, tell me something sweet

When the sun goes down, we find each other
