

Dancer

Claire Rosinkranz

In Malibu baby
I woke up feeling real crazy
Before I met you for the very first time
You kept on walking around
Too scared of locking me down
So I took a look in your eye

And said hi it's really nice to meet you
How was your day and what did you do
And I honestly didn't have a clue
All of the ways I'd fall in love with you

Now I'm your blonde hair and your blue eyes
You're my tall boy and my sunrise
I'm your bare feet and your Dancer
You're my sweetheart my romancer

Da da da
Da da da da da da da
Da da da da da

Now you're making me busy
Runnin' around in the city
I feel pretty anytime I'm with you
Butter on butterflies when you flutter fingers on my thighs
I feel everything right back to

Saying hi it's really nice to meet you
Where are you from you seem like you're new
And I can't believe that I had no clue
That I would fall so deep in love with you

Now I'm your blonde hair and your blue eyes
You're my tall boy and my sunrise
I'm your bare feet and your Dancer
You're my sweetheart my romancer

Taking a bite out of you like an apple
Open your mind take a look with a scalpel
Reading your thoughts like a map like a board like scrabble taggle
What's up in your castle what a perfect place to travel

Now I'm your blonde hair and your blue eyes
You're my tall boy and my sunrise
I'm your bare feet and your Dancer
You're my sweetheart my romancer

Da da da
Da da da da da da da
Da da da da da

You're my sweetheart my romancer
Now I'm your blonde hair and your blue eyes
You're my tall boy and my sunrise
I'm your bare feet and your Dancer
You're my sweetheart my romancer

Now I'm your blonde hair and your blue eyes
You're my tall boy and my sunrise
