4EVER

Clairo

Some things just aren't that simple
You called me wondering why I changed or why I don't look the s
ame
Why I think so differently now?

Is it ever gonna change?
Am I gonna feel this way forever?
Are you gonna be around for me to count on?
Is it ever gonna change?
Am I gonna feel this way forever?
Are you gonna be around for me to count on, count on
On-on-on, on-on-on
On-on-on, on-on-on
On-on-on, on-on-on
On-on-on, on-on-on

Some things just never seem to fade
I'm thinking about how we were on our first date
You understood the words I was saying
I knew I'd never let you get away
Hold you tight, squeeze you right
Tell you what I want
Put me in your bedroom and I'll sing a little song
Hold you tight, squeeze you right
Give you all I've got
See you in the morning
Over coffee, we'll talk

Is it ever gonna change?
Am I gonna feel this way forever?
Are you gonna be around for me to count on?
Is it ever gonna change?
Am I gonna feel this way forever?
Are you gonna be around for me to count on, count on
On-on-on, on-on-on-on
On-on-on, on-on-on-on
On-on-on, on-on-on-on
On-on-on, on-on-on-on
