

Alewife

Clairo

In Massachusetts, only 30 minutes from Alewife
I lay in my room
Wonderin' why I've got this life
I met you by surprise
You were hangin' out all the time
But you know you saved me from doin'
Something to myself that night

You called me seven times
One, two, three, four, on the line
I didn't mean to scare you
Just had the thoughts in my mind
They showed up to my door
My parents didn't know what for
Swear I could've done it
If you weren't there when I hit the floor

It's been so long
And you've been my sister all along
But you know I'll be alright
Eighth grade was never that tight
