Ooh-ooh  
Ooh-ooh-ooh  
Ooh-ooh  
Ooh-ooh-ooh-ooh

When I'm with you I'll be  
When I'm with you I'll be alright  
When I'm with you I'll  
When I'm with you I'll be alright

Once in a while  
I start to fall in love again  
Only been some time, and so  
I don't know why I can't let you go

'Til the break of day  
'Til the night I sleep  
No one beats you, baby  
No one takes your place from me

Ooh-ooh-ooh-ooh-ooh
