

## Second Nature

Clairo

Da-dum, da-da-da-da-dum, dum, da, da-da-da-da-dum, dum  
Da-dum, da-da-da-da-dum, dum, da, da-da-da-da-dum, dum

It's when you're close enough to touch  
I've forgotten the point  
My train of thought destroyed  
It's when you're loud enough to cut  
In and through all the noise  
My train of thought destroyed

And once you get in my ear  
I see kismet sinking in  
It's second nature  
Like the sap from a cedar  
Rolling down to be near her  
It's second nature

It's when you're close enough to love  
I move without a void  
My train of thought destroyed  
And when I tell you it's because  
I've known you well before  
My train of thought destroyed

And once you get in my ear  
I see kismet sinking in  
It's second nature  
Like the sap from a cedar  
Rolling down to be near her  
It's second nature

Soon you'll realize, too  
How it aligns you  
Oughta know, know the  
Know the truth

Da-dum, da-da-da-da-dum, dum, da, da-da-da-da-dum, dum  
Da-dum, da-da-da-da-dum, dum, da, da-da-da-da-dum, dum

And once you get in my ear  
I see kismet sinking in  
It's second nature  
Like the sap from a cedar  
Rolling down to be near her  
It's second nature
