I've been on the road too long Moving in the wrong direction I don't know where I belong I don't know what I will do If I can't get back home

Troubles I got on my rope
They don't fit no other person
The memories keep rollin' on
And I don't know what I will do
If I can't get back home

I don't fit but I don't give a damn
I won't quit 'cause I know who I am
And I'll admit and I've been on the left

Bit by bit, I'll review my plan This is it, do the best I can Trust and understand

'Cause I know that I am loved 'Cause I'll be on my way Got no need to stay 'round here

'Cause I been on this road too long Going in the wrong direction And I don't know where I come from All I know is I will die If I don't get back home
