

# Do What You Like

Eric Clapton

Do right, use your head  
Everybody must be fed  
Get together, break your bread  
Yes, together, that's what I said  
Do what you like

Don't fight, use your head  
It's all right every night  
Do what you like, that's what I said  
Everybody must be fed  
Do what you like

Open your eyes  
Realize you're not dead  
Take a look at an open book  
Do what you like, that's what I said  
Do what you like
