

Have Yourself A Merry Little Christmas

Eric Clapton

Have yourself a merry little Christmas
Let your heart be light
From now on your troubles will be out of sight

Have yourself a merry little Christmas
Make the Yuletide gay
From now on all our troubles will be miles away

Once again, as in olden days
Merry golden days of yore
Faithful friends who are dear to us
Will be near to us, once more

Someday soon we all will be together
If the fate's allow
Until then we'll have to muddle through somehow
So have yourself a merry little Christmas now
